EXXONMOBIL / LNE SC SCHOLARSHIP PROGRAM

The ExxonMobil / LNE SC Scholarship Program is intended to assist and encourage outstanding Hispanic high school seniors who plan to pursue a degree in engineering at U. S. post-secondary institutions. The ExxonMobil / LNE SC Scholarship Program is sponsored by the Exxon Mobil Corporation and is administered by the LULAC National Educational Service Centers (LNE SC).

The ExxonMobil / LNE SC Scholarship Program will award one (1) national scholarship of \$20,000, paid over four years, and twelve (12) \$2,000 local scholarships to qualified high school seniors. Applicants must have a cumulative grade point average of 3.5 or better on a 4.0 scale or the equivalent; must have scored 29 or higher on the ACT test, or 1350 or higher on the SAT test; and plan to enroll full-time in an accredited college or university. The ExxonMobil /LNE SC Scholarship Program is available to qualifying students residing within the following cities and surrounding areas:

Oxnard, CA
San Diego, CA
Colorado Springs, CO
Miami, FL
Kansas City, MO
Albuquerque NM
Philadelphia, PA
Bayamon, PR
Austin, TX
Corpus Christi, TX
Houston, TX
Dallas, TX
El Paso, TX
San Antonio, TX
Vancouver, WA

Note: It is only necessary to complete one application to participate in the ExxonMobil / LNE SC Scholarship Program. Students may only receive one (1) scholarship. If an applicant is awarded a national scholarship, then they will no longer be eligible for a local scholarship. Note: Students may receive one LNE SC scholarship per academic school year.

NATIONAL SCHOLARSHIP PROGRAM

The national scholarship award of \$20,000 is renewable for up to four years based on academic performance. The recipient will receive \$5,000 annually in the form of two equal disbursements of \$2,500 made on September 15 and January 31 of each year. The national scholar is required to enroll as a full-time student and to maintain a cumulative college grade point average of at least a 3.0 on a 4.0 scale or the equivalent to be eligible for the second scholarship disbursement. After completion of the fall semester, the recipient must submit a copy of their fall grade report and proof of their full-time spring enrollment status to the LNE SC National Office to receive the spring semester disbursement. Scholarship awards are sent directly to the recipient's college or university and deposited in the recipient's name. The funds will be allocated toward the payment of tuition and academic fees, and the purchase of required educational materials and books. The school is custodian of the funds and will disburse the award consistent with the purpose of this program.

LOCAL SCHOLARSHIP PROGRAM

The local scholarship awards of \$2,000 will be divided into two equal disbursements of \$1,000 made on September 15 and January 31. Local scholarships are nonrenewable. After completion of the fall semester, the recipient must submit proof of their full-time spring enrollment status to the LNE SC National Office to receive the spring semester disbursement. Scholarship awards are sent directly to the recipient's college or university and deposited in the recipient's name. The funds will be allocated toward the payment of tuition and academic fees, and the purchase of required educational materials and books. The school is custodian of the funds and will disburse the award consistent with the purpose of this program.

About Exxon Mobil Corporation

ExxonMobil is the largest publicly traded international oil and gas company and operates in most of the world's countries, using technology and innovation to help meet growing energy needs. ExxonMobil holds an industry-leading inventory of resources, is the largest refiner and marketer of petroleum products, and its chemical company is one of the largest in the world.

ExxonMobil engages in a range of philanthropic activities that advance education, health and science in the communities where ExxonMobil has significant operations. In the United States, ExxonMobil supports initiatives to improve math and science education at the K-12 and higher education levels. Globally, ExxonMobil provides funding to improve basic education, promote women as catalysts for economic development, and combat malaria and other infectious diseases in developing countries. In 2012, together with its employees and retirees, Exxon Mobil Corporation (NYSE:XOM), its divisions and affiliates, and the ExxonMobil Foundation provided \$256 million in contributions worldwide, of which \$116 million was dedicated to education. Additional information on ExxonMobil's community partnerships and contributions programs is available at www.exxonmobil.com/community.

About LNESC

Since 1973, LNESC has focused on creating a menu of developmentally appropriate educational initiatives. These model programs are designed to help the organization reach its mission of providing the highest quality education programs needed to help members of the Hispanic community become life-long learners and leaders. Through these efforts, LNESC has contributed to the academic success of 550,000 promising Hispanic and disadvantaged students and has provided more than \$26 million to nearly 155,000 students.

The selection committee will score the questions below. Please be sure to answer questions thoroughly.
