

JOIN THE SCHOLAR SNAPP MOVEMENT

A 21st-century solution to a 20th-century problem.

Scholar Snapp is a free, simple to use data standard that allows students to reuse their application information—including contact information, essays, transcripts, etc.—from one scholarship application to another thereby streamlining the college scholarship application process.

Scholar Snapp simplifies the scholarship application process by allowing students to automatically reuse their basic information for scholarship applications by syncing data from the Scholar Snapp website.

WHAT DOES SCHOLAR SNAPP DO?

- » It is available to students at no cost.
- » It saves students time by reusing their data across more scholarships and applications.
- » It includes a website where students can practice building their best application.
- » It helps students find scholarships they can apply to using ScholarSnapp.org
- » It contains more than 300 data fields including essays, recommendations, video uploads, etc.
- » It is flexible enough to synchronize just a few data elements within an application or many data elements.
- » It puts students in control of their data.

WHAT DOES SCHOLAR SNAPP NOT DO?

- » It does not award any scholarships or financial aid directly.
- » It does not share any data without permission.
- » It does not charge any membership or account fees.
- » It does not sell any data, anytime, anywhere.
